

Access to/from North:

I-5 and SR-163 both exit directly onto 10th Avenue, which is a 1-way (3 lane) street leading directly to the building. Exiting the building on 10th Avenue and taking an immediate left onto K Street and then left again on the 1-way (3 lane) 11th Avenue leads directly back to SR-163 and I-5.

Access to/from South:

There are I-5 entrance/exit ramps on J Street - just a few blocks from the building

Access to/from East:

SR-94 commences (eastbound) / terminates (westbound) on G and F Streets, which are easily accessible by 10th and 11th Avenues as described above.

Trolley:

Three different trolley stops are within just a few blocks of the building (less than 5 minutes walk). The trolley services these stops from about 5:00 am to about 12:00 pm weekdays. See www.sdcommute.com for more details.

Coaster:

Accessible from the trolley (Santa Fe Depot) and in the future by a proposed Coaster extension, runs to/from North County with service hours to/from downtown from about 6:30 am until 10:45 pm weekdays. See www.sdcommute.com for more details.
